No. ⁶³²⁵~~4276~~. Mr. Kekauonohi, see page 77 - H III.

Kiukamauna, sworn, says he knows the House Lot, at Lahaina, Maui, known by the name of "Hale Kamani". It belonged anciently to Kalaimoku and afterwards to Mr. Kekauonohi, who held & occupied it up to 1845, when the Court removed to Honolulu. It was occupied anciently by the King's mother who died & was buried there. Kalaimoku who was a relative of the King's mother placed this place in charge of Kekauonohi as a Guardian of the tomb. I have heard, but I do not know that it was so, that the King had given this lot entirely to Kekauonohi, in exchange for a lot called "Pahumanamana".

C. Kanaina, sworn, says the old history of this Lot is as stated by Kiukamauna. In the time of Pahumanamana the hold was held & occupied by Kekauonohi under her. When Pahumanamana died Hoapili gave possession of this lot to Liliha, but Kekauonohi would not let Liliha live on it. Kekauonohi continued to hold it, but I suppose with the understanding that she held under the King. Afterwards, the King wished to get "Pahumanamana", which belonged to Kekauonohi, and asked her to let him have it to put a Hotel on, for the shipping season. When the season was over the King wished very much to get "Pahumanamana" altogether, and Kekauonohi used her influence to persuade Kekauonohi to let him have it. Kekauonohi would not consent to this unless the King would let her

have "Halekamani". The King consented to this, and he then erected the new Hotel on "Pahumanamana". I understood that at our time Kamaheka Esq. Gov. of Maui leased this lot on account of Kekauonohi. The exchange of Lots took place about 1838, since which time "Pahumanamana" has remained in the King's possession, & "Halekamani" has been in possession of Kekauonohi until recently. "Halekamani" lot is bounded Makai by a fence, - Blowater side by Kaaimalalo's lot, - Mankai by a fence between this lot & a fish pond, - Kaanapali by a low wall.

B. Kamaheka, sworn, says Kalaunioke built the tomb of the King's mother. The burial place is in the Lot called "Halekamani". I leased this lot to Mr. Waldo on account of Kekauonohi & at that time the dividing fence was not erected (in 1845). I heard that the King had exchanged this lot with Kekauonohi for "Pahumanamana", some time after the death of Kahiemaena.

A. Paki, sworn, says this Lot belonged anciently to the King's mother, after whose death it fell to Kahiemaena, & when she died it fell to the King.

The mother of Kekauonohi (Wahinepi) had charge of this lot for the owner - so also Mr. Kekauonohi.

I know something of the place called "Pahumanamana" being given to the King. The King and Kekauonohi's mother met at my house & the King asked Kekauonohi to let him have that lot as a site for a Hotel & she said if the King wants the place he can have it of course. They said nothing then about an exchange of Lots. Shortly after this the King caused the large wooden house to be built on "Pahumanamana".

N^o 7260. B. Kamakaha.

P. Mahaalelua, sworn, says he knows the Kalo patch of claimant, in "Haianae", Lahaina.

It is bounded Makai by Kahi Koma's lot, - Howalu side by Mahaalelua's land, - Mooka by land belonging to the King, - Hanapali side by a foot path.

Claimant has held this patch since the year 1845, without dispute. (Kamakaha says he received this patch from Asa Kaeo)

24 July 1854. From page 107 Vol. 2.

N^o 307. Kuakamanna (pro Keaupuni) St. 7.
Disputed by A. Kaeo N^o 812.
J. Kaauwai, sworn, says he knows this land claimed by Keaupuni, in the Ahupuaa of "Peaa", Lahaina. The large piece mooka of the road is enclosed - the fence was built by Manono, father of Keaupuni, who occupied it from about 1836 till 1843, when he went to Kanai, at which time he left this place in charge of his family, & of a man called Kahua who held possession till his death in 1845 or 6. - Manono died in 1845, leaving all his property to Keaupuni who placed this lot in charge of Kuakamanna. Keaupuni lived with Kekauonohi. Since 1846 the lot has been held by some of the people of Asa Kaeo who claims through his father Kaaimalalo, the ancient owner of the land, who gave this lot to Manono. When Kaaimalalo died he left the Ahupuaa of "Peaa" to Asa Kaeo, and the lot in dispute & also. He said, Manono lives on that lot under

me, and so his son shall hold it under my son hereafter.

A. Moku, sworn, says he knows this lot in dispute between Keampuni and A. Kaeo. Knows that Manono was in possession of this place as far back as 1835, or '36, and up to the time he went to Kawai. He it was who enclosed the lot, - erected houses on it, and planted it with trees.

Mauehu, sworn, says she lives on the lot in dispute. Awa Kaeo placed me there about six years ago. The house I live in was built by Manono. When I went there to live, the family of Manono were living there. It was partially enclosed before Manono lived on it, by the fence of the Ahupuaa built by Kaaimalalo, & then Manono enclosed it properly. When Manono left for Kawai the lot reverted to Kaaimalalo. Keampuni was then at school at Lahainaluna, and did not live on this lot.

Lonoaea.

Kapela, sworn, - I wrote out this claim in 1847, and put this with many others on board a vessel at Kahului bound for Oahu. Some others in the same bundle were received at the Hale Apona. (Witness exhibited a note book he had kept in which this claim was recorded among others he had written).

Kauae, sworn, - Knows the claimant's land in the ili of "Ohakunui", Waiehu, Maui. It is one

piece of Kalo land, and is bounded,
 Mauka, by Kahala's land,-
 Maiee, " Kaa's " -
 Makai, " Kouohiki's " -
 Waiuku, " Kahala's " & the Palms.

Claimant received this land from his father who received it from Kanehama, the Kouohiki, in 1836, and he has occupied it without dispute till the present time.

There are five Lis of the Kouohiki connected with this land.

Kanau, sworn, confirms in full the testimony of Hauae.

Waiuku Aug. 5. 1854.

G. M. Robertson Esqr.

Dear Sir

Herewith I send you the follow-

ing surveys.

- 6655 Wilani - - - Hekeea
- 6417 Kaa - - - "
- 6503 Apiki - - - "
- 9021 Kamai - - - Kaonoulu.

The new piece surveyed was to be added to the other by consent of the Kouohiki - B. F. Sniffin.

1941 B. Maia - Waiakoa - probably identical with the award of 1850, but Lt. relinquished the balance of his claims to which he had a good right and wished this might be enlarged rather than have his title in different places.

The old award might be suppressed and the costs of both charged in the new award.

8655 Katorofaki - Waiakeva - The new survey is to be added to that made by Mr. Turner and completed his claim

5292 Kahinu or Kabinu, Kohue - The new survey is to be put instead of all the others surveyed, by Mr. Turner.

In the old survey no regard was had to agreements between Kaminiki and Ilt which have ^{been} respected in this:

5267 Kauhiahiwa - Kekea - This was a lot taken by Ilt. in lieu of the other lots in his claim - by consent of Kaminiki, agt. Pohaku.

2565 Nakeu - Palaua - This is a resurvey of Ilt. house lot. He is entitled to another lot surveyed by Mr. Turner, but the survey is found to be quite inaccurate & cannot be rectified without an entire new survey. We did not discover the mistake till we had returned home, and we may pass that way again or may not. So I send the house lot, and other can be added if there is time.

2500 Churpili - Palaua. This same is true of the lot surveyed by Mr. T. in this claim as in the one above, sever all other claims having been included in it, so I send a lot surveyed by me in another place, and have the rest to be resurveyed if there is time.

See 98 Page 2529 Matakaia - Keauhou

2525 Mahoe Palaua & Kohi.

It is difficult to make the survey of this correspond exactly with the testimony, but this is as near as I can make it & I believe he has got what is justly his due.

5429 Karamana - Palaua - This piece is to be added to those sent you a few days ago.

See 98 Page 5127 Kalani.

Palaua 5369 Ainara - Palaua - This is all that remains of this Ilt. as he has compromised his lot in Palaua.

You Truly & Faithfully

Honomale August 23. 1854. 79^o
No 4667 Kuahiwini.

Heard before C Bailey for B.L. 6.

William L. Davis vs. Kuahiwini - sd. W. L. Davis had appealed long before from the award of B.L. 6, to Kuahiwini as sd. C. B. had cultivated but a small part of the lot surveyed for him, by Wm. P. Alexander. Right of appeal was admitted, as the appeal appeared to have been made within the three months prescribed by the law.

Wise Son, In 1851 I worked on the land in dispute - I planted kaho on it on my own account. Kuahiwini made no objection to my planting, I have seen all the bounds of the lot surveyed for Kuahiwini. Some little time after I began to plant kaho on this land Kuahiwini & his friend began to plant kaho & planted I should think about an acre in all - in several small patches. In 1846 & 7 I saw Kuahiwini planting a few small patches on this land - less than in 1851. In the same year i. e. 1846 Uluwale my father had come planted for himself on the greater part of this land - the kaho was on the Hama side, I recollect that in 1841 & 2 Kuahiwini lived on this land and cultivated it, but in 1846 he had no house on it; nor has he had a dwelling house on it since.

Tukeawe Son, Confirms in full the testimony of former witness. I & Kuahiwini planted kaho together under Uluwale on this land in 1846. We also planted kaho on the land in dispute. I planted on my own account but got a patch from him to plant on, I came to this place to live before the death of Simau. Kuahiwini did not himself live on the land in dispute, tho he had a house there and a man of his lived in it. He cultivated but ~~any~~ very little kaho. He also planted some beans.

From Vol 7 P. J. p 162.

Wailuku Aug 29, 1854.

G. M. Robertson Esq.

Dear Sir,

Your large package of Awards and also a small parcel of corrected ones together with your letter of the 9th were here on my arrival yesterday from our campaign around E. Maui.

The testimony on the claim of Pipio runs thus - ¹⁰⁶⁶⁵ ~~10665~~ X - Pipio - 9 Aug. Kanakaloa, Hoshukina.

Ua oia na Kalawala i Kakaui. Ua ike au i Kona aina ma ka ihi o Piliwale me Kaula ma ka Ahupuaa o Paeahu. He aina hovilina mai ka M. H. 1819, aole mea heakea. Ma na aoao a piau ke Kauhiki.

The above I extract from Vol 7, native Testimony taken in 1849. I will now subjoin the testimony taken by me.

Lahama Oct 29, 1853.

Paeahu

Pikanele, Sworn,

Only one man received his land from me in Paeahu. He was an ancient dweller on the land, viz; Pahu, the father of Kameiholani and Kuhilani. Pipio and Peperasumi and Anake were also ancient dwellers in the land. But I only gave

Pahu's

Pipio

land to Pahu and Pipio, and I do not know whether they entered their claims for the land before the Board of Land Commissioners. They told me they did not. I did not give land to Kameiholani & Anoa & Kuhilani

& Kahoi Kaina, but they did occupy land ~~of~~
under Aina my Agent. They had begun
to plant a very few potatoes only before 1850, in
which year Kanehoa the Governor forbade any
person planting any land that they had not
previously planted. I became Koushiki of
Paeahu in 1836. In the year 1838, Hana Kama-
ahi and I sent off Pake and Papis from the
land. When Kauramaa was Luamanuau
of Kona, and Kamakau and Kaawani
were writing out claims, then for the first time
these persons, viz; Kaneholani, Kukulani,
Ainoa, Naale, Kahoi Kaina, (Koukaina) Kaa-
kole, an old settler, and Pepsiaouai, Ainau
Kalamo or Lukua and Ohele entered claims
for land in the Irish potato region. But I
never gave them land there, only myself and
wife (Hana Kamaahi) made Ainau our Agent
there, and he continued in that capacity
till Mr. Swinton bought it. Nobody culti-
vated above the clear land till 1850, except
the few above named who planted a little.

Hana Kamaahi, sworn,

Confirms in full the testimony
of her husband Pehalele. In 1852, at which
time I made Maki Luau, Kanehoa again
forbade squatters occupying any new land.

When Mr. Alexander sold the Irish potato
land in Paeahu, all who had claims there
gave them up in order to purchase land
instead. Only two retained their lands
^{above} below the Irish potato region, viz; Anahe
Koukaina and Kahoi Kaina, But all in the Irish
potato land of Mr. Goodale gave up all
claim.

193
(The last part of the testimony of Hana
Kaimaki was fully confirmed by Tikanale.)

I now insert an extract from
Mr. Alexander's own hand dated Lahaina-
luwa June 1, 1853.

"On the day of the sale they, (referring to
Kaakole, Kuikilani, Kaale & Kameiholani)
were among the bidders and purchasers,
and no one objected to the sale."

Another extract from a letter dated
Lahainaluwa April 15, 1853, is as follows:

"When I measured that land for
Goodale I found a good many claims
based on a gift from Tikanale to be good
for nothing. These were in the Irish potato
land and the claimants abandoned their
claims and purchased. They however were
unable to get money to pay for their lots, &
they reverted to Goodale. Some others
whose claims were good, such as Mahi, and
Kaukaina (Kahokaina) chose rather to
purchase than to have their little patches
surveyed, so they also abandoned their
Kuleana claims. What claims were not
abandoned on Goodale's land I measured,
and the claimants have received their
awards."

(I consulted Mr. Lee, at Ulupalakua, as
to what should be done with the unsurveyed
claims in Paeha, as I had understood from
several conversations with Mr. Alexander
that he had negotiated with the claimants
in relation ^{to} those parts only of their claims

which lay in the Irish potato district. He ⁷⁹⁴ gave it as his opinion that the case should be decided entirely by the intentions of the parties negotiating, i.e. Mr. Alexander and those claimants who had given up their claims to purchase their minds I already knew. They said that they understood the agreement to refer only to those parts of their claims which lay in the Irish potato region, and not below. I supposed also that I had got the correct idea from Mr. Alexander, but lest I might have been mistaken, I wrote him, and received from him the following.

" Lahainaluna July 29th 1854.

Your favor of the 30th inst is before me, and I haste to reply to your inquiries.

1st. I did not settle all the claims in Paeha. I did nothing in regard to such as fell in the land bought by Mess^{rs} Wilson and Fredenburg. In regard however to the land bought by Mr. Goodale I did settle all the claims;

1st - That none who claimed in the Irish potato ^{land} region, had any right there.

2nd - Those below the forest in such ground as yields sweet potatoes, sugar cane &c who had good claims (with two exceptions) chose to purchase lots from Mr. Goodale including their claim rather than be at the expense of getting them awarded; and they did thus purchase, but were unable to pay, and thus failed to get their lots.

The exceptions I

195
referred to one Aunua, and Koukaina,
whose claims I surveyed, and they have
their Awards.

W. J. Alexander

Pipio seemed to me to have a good
claim, and as I had not then got the last
letter copied above, I surveyed it. But had
I received that information before, I should
not have surveyed it, and I now will re-
turn the Award of Pipio to be at your
disposal, - Also the surveys made in Pa-
ahu, by Mr. Turner, and I shall not work
up some recent surveys I had made there,
more to see what they were & where they were
and who the claimants were, than because
I thought they had good claims.

This done, I will await your further
orders.

Most respectfully

E. Bailey

P.S. I should regard the surveys made by
Mr. Turner in Paahu, as much too large
in general, even were they right in other
respects, I send also two papers which I
suppose should be returned to Mr. Goodale.

that his claim had been settled by Kamakau. He wished

I have entered a claim, which has been settled
by S. M. Kamakau through witnesses, but when J. Richardson

Sometime in Apr & May 1853. I surveyed this lot for C^t, or rather his heirs, for C^t, is dead. Hauolapua led me, and seemed to have the care of the lot. I found it very large & took such notes at the time that I could reduce it, if necessary to much smaller dimensions.

Afterwards learned that Hauolapua had led me around a large lot some 13 acres I think which he himself had leased of Hewahua and which he evidently intended by fraud to have connected with the lot of Kailiamu to which he seemed to be the heir, and in which he seemed to feel a paramount interest, of course I cut off a large part of what I had surveyed leaving only what it was said had been cultivated by C^t. But it afterward appeared by common report that C^t, had not planted Irish potatoes on the greater part of it till quite recently if at all.

I therefore went up to resurvey the lot when the son & heir of C^t, appeared in person & refused to have any part of it surveyed, unless I would survey all he wished, which I could not do. I therefore left it & would recommend that the whole lot be stricken out according to the testimony of Kalia in the case of Kuivilani and common report

rather universal report of persons uninterested. I truly believe that the heir would have made his father to have planted Irish potatoes in 1800 & to have covered all Kula with them had he supposed I would believe him & he have got thereby the large piece he wished.

Kuwakua received the Ahupuaa of Koonoulu in 1847, in the division of lands. Previously he had been Konoehiki only under the King.

No 5228 H. Kuiselani vs, Kimoiki.

The lot claimed by H. Kuiselani are disputed by the Kimoiki on the ground that Hewahewa did not intend to give them to Clt, as property.

Maia Sworn, - for Clt. Testified that Hewahewa gave the land in dispute to Clt in 1846. Hewahewa told witness that he gave it to Clt. Hewahewa hired lands to a great many persons, witness among others at \$4.50 a year, and if any one failed to pay the money, his lot was to be taken from him. Did not see Hewahewa give the land to Clt, - was absent at the time - does not know on what terms it was giving - has never seen Clt, give money to Hewahewa for the use of his land.

Hewahewa was Kimoiki of Koomuloo under the King at the time he gave the land to Clt. Afterwards it became his own, and when he died, it passed to Keaka, his sister who is now the owner. Witness asked Hewahewa for land to cultivate, and Hewahewa told him he could not give him the land in dispute, as Kuiselani had it.

Komakansene. daughter of Keaka - Sworn. Testified that Hewahewa said he was not ~~of~~ the owner of ^{the} land, but

The King was owner, and he (Hewahewa) was only his servant (kanaka). This was said before the land was given to Hewahewa. The occasion of his saying it was dispute about a goat pen.

Tuputaka (woman) Sworn. Have lived as a servant with Hewahewa (ohua) since 1840 - don't know of his giving land to any body.

Kalia Sworn - for Clt. Lived at Waiwaka till 1842 or 3, then came to live under Hewahewa was Hewahewa's tana pora-lina, and collected money for him for the rent of the lands - took at one time five dollars of Clt. for the rent of the land in dispute. When I first came to live with Hewahewa there was only one field of Irish potatoes in this region - that belonged to Moku. I was there a year or so and after that Clt. and other came and got land of Hewahewa to plant Irish potatoes. The sugar mill at Waiwaka was abandoned before I came up here - there was no more cane ground afterwards, Clt. did not plant any potatoes till after I had been some time here.

I was sent to Clt. by Hewahewa to collect his rent - and asked him for the rent of his field - five dollars which he gave me, and I gave it to Hewahewa, Kapawa had a lot in Kurekure's which Clt. gave him to work.

Here Clt. stated that the five dollars which he gave to witness was not for the rent of his field, but was paid as an Ahupuraa tax, which both he & Hewahewa paid alike - five dollars each - in order that the Ahupuraa might remain in their care, and not be forfeited to Govt. in default of rent payment.

Kaai, surveyor, says he knows the 5 Kalo patches
 claimed as a Kuleana by A. Paki, in Wai-
 kapu Mani - They are in 3 distinct pieces.
 The people who originally owned these patches, and
 from whom Paki derived them, are dead. They
 have been planted for some ~~four~~ years past
 by a woman named Kulolua and her hus-
 band Keoni, under Paki - They hold these
 patches under Paki at the present time. Paki
 received these patches from Kapolohu many years
 ago - Kapolohu was mother of Konicia Paki's wife.
 These patches were sold by the Govt Agent some
 time since & were purchased by Keoni and his
 wife.

Pacahu Claims Cont^d of Sec. 1. 95.

Letter fr. W. P. Alexander dated Sakimatuna Sep. 8th 1855.

Sir, Herewith send surveys of Claims found in that portion of Pacahu recently purchased by W. Goodale viz: of Konekainia Anake & Aina. These persons both Cl^{ts} whose claims fell in this portion of Pacahu, have abandoned all other claims which they might have presented to your Board, because they believed it cheaper for them to purchase large lots from Mr. Goodale, than to pay the Surveyor & your Board for Awards on their little scattering lots.

These remain a few claims in that portion of Pacahu purchased by Mr. Wilcox - I had not time to survey these - I have not rec^d pay for the enclosed surveys - but expect claim^{ts} to pay me in due time.

The claims which the people most valued were those that fell in the potatoe fields - In Kama Kama's & Lots testimony taken it is declared they severally got these from Pitanele - Nonohiwa: who confronted them in my presence - denying he had ever given them such lots; I maintained, that they had ever been, and still were, squatters - they all therefore abandoned their claims, & agreed to purchase lots: the whole, therefore of the Cultivated portion of the Irish potatoe region of Pacahu has been sold at auction -

You may therefore consider the enclosed surveys as covering all the claims to be presented to you from Pacahu, except one or two from that portion owned by Mr. Wilcox.

Addressed J. H. Smith. Sec.

W. P. Alexander

10964 - Makie has not been awarded on A. G. Turner's Survey of 5 ac. lying in the potatoe regions.

Note to the preceding written Statement -

No specific testimony of the mutual transaction referred to between the Claimants and Mr. Alexander in relation to the lots in question was ever taken in presence of each party, or formally examined by our Sub-commissioner Mr. E. Bailey, or ~~by~~ by the President when Resident near the Spot, or by any Commissioner afterwards, or at the time of the alleged transfer; nor any more explicit statement than the letter previously inclosed, ever made, to be recorded - and the Claimants alleged as the reason of their not purchasing the lands of Mr. Goodale intended in the bargain in lieu of holding their own lots in the upper region, that he demanded high prices, & would not fulfil the stipulated conditions, & thus exposing themselves to the risk of losing what they had given up, in anticipation of larger lots. The conditions & terms of which transfer appear not to have been committed to writing at the time - and have never been before the Board formally. J. M. Smith, Sec.
