

The corner of Grant 1667 marked A should coincide with A of Grant 1668
 1668 - C may coincide - C - 1910 Lot 1
 Grants 1622 to 1668 inclusive as plotted are narrower than the survey's call due
 to the surveyors' error. This was done to make the above described fill the SE corner of Grant 1668 possibly an error
 The westerly corners of Grant 1337 must be located from the testimony of
 Kauaiauaia on the ground. There may be errors in the notes of survey.
